Dear Dr. Pierre,

**Thank you so much for your generous donation to the CDA Foundation to support the CDA Cares clinics!** Your generous donation of \$250.00 will help the CDA Foundation continue to grow and fulfill its mission to *improve the oral health of all Californians by supporting the dental profession in its efforts to meet community needs.*

Chair sponsorships from generous people like you allow the Foundation to provide this important program. In 2012, with the help of 2,901 volunteers, CDA Cares was able to provide \$2.8 million in care to more than 3,600 patients. This effort will move around the state, twice each year, to help the estimated 10 million Californians who experience barriers to dental care.

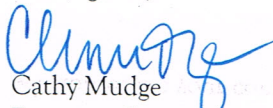

CDA Cares has now scheduled clinics for San Jose on May 18-19, 2013, and San Diego for December 7-8, 2013. Two more clinics are being scheduled for northern and southern California in 2014 and are in the development stages.

The need is greater than ever ~ an estimated 30 percent of Californians experience barriers to care. State budget cuts eliminated most oral health services for low-income adults, leaving them without access to dental care. In children, dental disease is a chronic epidemic ~ more common than asthma and obesity ~ affecting nearly two-thirds of California's children by the time they reach third grade.

We appreciate your commitment to **CDA Cares**. Your philanthropic spirit keeps our profession strong.

Best regards,

  
Cathy Mudge  
Executive Director

*Thank you  
Dr. Pierre!*
