Message from Dr. Ken Wallis, Chair CDA Cares San Jose

As volunteers, we all experienced some very special moments during the recent two days of CDA Cares San Jose. I was so impressed by the level of collaboration and teamwork as 900 dentists, hygienists, and dental assistants along with another 800 community volunteers, many who had never met before, came together providing compassionate care to 2,200 patients in need. Once again a CDA Cares miracle took place; pain was relieved, infections were treated, smiles were restored and lives were changed.

CDA dentists share a common passion to serve and CDA Cares is a great opportunity to share our gifts beyond what we do for our patients on a daily basis.

Please accept my most sincere gratitude for the remarkable contribution you have made.

Dr. Ken Wallis
Chair, CDA Cares San Jose

Together we make a difference
A Community Changed

CDA Cares continues to exceed expectations and provide exceptional care to those in need thanks to your time, energy and expertise. The lives you touched reaches beyond the patients who received care at the clinic; it affects the patients’ family and friends. Patients will be talking about how you touched their lives for a long time.

Receive post-show clinic updates, find pictures of yourself and friends and watch patient and volunteer testimonials at our official CDA Cares Social Hub. Be sure to visit the Hub often as we
will post new photos and videos throughout the next week.

**Our Sponsors**

Putting on a CDA Cares clinic takes a lot of support through cash and in-kind donations. National, state and local sponsors contributed to the success of this event. Please look at the list of our sponsors to the left and thank those organizations whenever you have the chance.

Our sponsors share dentistry’s commitment to providing care to those in need, as proven by the number of their employees who also gave their time to participate in CDA Cares. Volunteers from Carestream Dental, Benco, Patterson Dental, Pact-One, Wells Fargo Advisors, Kaiser Permanente, Henry Schein, the UOP Arthur A. Dugoni School of Dentistry, and others spent the weekend helping those in need and gaining a better understanding of how their donation impacts the community.
